Active Shooters in the Workplace: Prevention & Response

Wayne Freeman, a Special Agent with the South Carolina Law Enforcement Division, will be discussing strategies to prevent and respond to active shooters in the workplace. His approach to effective response is based on nearly a decade as an active shooter instructor. He has trained with personnel across the country, including Columbine, San Ysidro, Virginia Tech, Greenwood South Carolina Oakland Elementary School shooting, and many others. Mr. Freeman has trained more than 10,000 students in active shooter response and is the author of the South Carolina active shooter training manual.
